GROUPEMENT FLE - FOR A SAFE, SECURE AND HAPPY SCHOOL TRIP
Groupement FLE's schools organise group trips for all ages from Young Learners to Juniors and High school groups.

Our schools have highly trained staff who have what it takes to make a successful trip for a younger audience. You can rely on GFLE schools to have the necessary staff and resources to ensure a carefree language and activity experience.

All our members meet the high standards set by Groupement FLE and/or are accredited by the French Government **Qualité FLE** certification process.

Groupement FLE schools have plenty of experience working with agencies the world over and work closely with their clients to ensure a smooth booking process from start to finish.

During their stay your students can combine sports or cultural activities with their language course or opt for courses preparing students for official exams such as the Delf, Dalf/TCF and TEF.

All our member schools offer cultural activities such as visits of the city and the region. Students have the opportunity not only to learn the French language but will have plenty of chances to discover French culture and local tourist sites.
